## PROFESSIONAL EXPERIENCE

### BAKER STREET ADVISORS, SAN FRANCISCO, CA

*Investment Strategy Group Intern, Jun 2017-Aug 2017, Jun 2018- Aug 2018*

- Wrote weekly market reports tracking the major indices, macroeconomic news, and changes in the global financial climate.
- Helped create material for family wealth education with the goal of preparing children and young adults to be mindful custodians of the assets they inherit.
- Developed a model for tracking new business in the firm as well as prospect-related statistics both firm-wide and per-partner.
- Maintained due diligence files on investment managers, keeping the firm up-to-date with necessary SEC filings.
- Developed an intra-office resource consolidation and communication platform.
- Partially automated the sorting of incoming mail from investment managers to streamline workflow.

### SEEDSPRINT, SAN FRANCISCO, CA

*Science and Technology Ambassador of Research, Jun 2018 - Aug 2018*

- Helped Seedspoint populate a database for use by commercial firms looking for promising new technologies to use in their products.
- Researched intellectual property developed by startups and institutions in order to catalog them in the Seedspoint database.

### MARINE LAYER, SAN FRANCISCO, CA

*Production and Finance Intern, May 2016 - Jun 2016*

- Participated in factory and warehouse visits to familiarize myself with the logistics and process of producing and distributing garments for a clothing manufacturer.
- Gained insight into how consumer products transition from concept to reality.

## EDUCATION

### BROWN UNIVERSITY, PROVIDENCE, RI

*Bachelor of Science in Computer Science-Economics, May 2020*

- GPA: 3.92
- Relevant coursework: Computer Science: An Integrated Introduction I & II, Introduction to Computer Systems, Deep Learning, Investments I & II, Micro- and Macro-economics, Linear Algebra, Statistical Inference I

## SKILLS

- Languages in order of proficiency: Java, Python, C, Scala, OCaml, Racket
- Technologies: Tensorflow, Git, Junxure

## EXTRACURRICULAR INFORMATION

- My time spent rowing competitively in high school and on the 6<sup>th</sup>-ranked college team in the country has helped me build both mental and physical strength, instilled in me important life lessons about integrity, honesty, and discipline, and cultivated my leadership, teamwork, and time management skills.
- As a teacher's assistant for Investments I at Brown, I have the opportunity to help students with many levels of familiarity with the material, which allows me to further develop my presentation skills and verbal and written communication.

## PERSONAL INTERESTS AND ACCOLADES

- Member of the 2017-2018 IRA All-Academic Team for university rowing
- I currently hold three world records.
- I enjoy listening to hip-hop, cooking, and playing basketball for fun to get exercise outside of rowing.
- Graduated Cum Laude from Marin Academy High School.
